1. Agreement Overview

This Agreement represents a Service Level Agreement (“SLA” or “Agreement”) between Dynamic Gee Pty Ltd and Sautech for the provisioning of IT services required to support and sustain the product and service.

This Agreement remains valid until superseded by a revised agreement mutually endorsed by the stakeholders.

This Agreement outlines the parameters of all IT services covered as they are mutually understood by the primary stakeholders. This Agreement does not supersede current processes and procedures unless explicitly stated herein.

2. Goals & Objectives

The **purpose** of this Agreement is to ensure that the proper elements and commitments are in place to provide consistent IT service support and delivery to the Customer(s) by the Service Provider(s).

The **goal** of this Agreement is to obtain mutual agreement for IT service provision between the Service Provider(s) and Customer(s).

The **objectives** of this Agreement are to:

- Provide clear reference to service ownership, accountability, roles and/or responsibilities.
- Present a clear, concise and measurable description of service provision to the customer.
- Match perceptions of expected service provision with actual service support & delivery.

3. Stakeholders

The following Service Provider(s) and Customer(s) will be used as the basis of the Agreement and represent the **primary stakeholders** associated with this SLA:

IT Service Provider(s): Dynamic Gee Pty Ltd. (“Provider”)

IT Customer(s): Sautech (“Customer”)

4. Periodic Review

This Agreement is valid from the **Effective Date** outlined herein and is valid until further notice. This Agreement should be reviewed at the end of the 6 months period; however, in lieu of a review during any period specified, the current Agreement will remain in effect.

The **Business Relationship Manager** ("Document Author") is responsible for facilitating regular reviews of this document. Contents of this document may be amended as required, provided mutual agreement is obtained from the primary stakeholders and communicated to all affected parties. The Document Owner will incorporate all subsequent revisions and obtain mutual agreements / approvals as required.

Business Relationship Manager: Dynamic Gee Pty Ltd- Gugulethu Hlophe
Review Period: 6 months
Effective Date: 15 April 2024
Next Review Date : 15 October 2024

5.2. Customer Requirements

Customer responsibilities and/or requirements in support of this Agreement include:

- Payment for all support costs at the agreed interval.
- Reasonable availability of customer representative(s) when resolving a service-related incident or request.

5.3. Service Provider Requirements

Service Provider responsibilities and/or requirements in support of this Agreement include:

- Meeting response times associated with service-related incidents.
- Appropriate notification to Customer for all Changes, scheduled maintenance etc.

5.4. Service Assumptions

Assumptions related to in-scope services and/or components include:

- Changes to services will be communicated and documented to all stakeholders.

6. Service Management

Effective support of in-scope services is a result of maintaining consistent service levels. The following sections provide relevant details on service availability, monitoring of in-scope services and related components.

6.1. Service Availability

Coverage parameters specific to the service(s) covered in this Agreement are as follows:

- Telephone and WhatsApp support: 7:00 A.M. to 4:00 P.M. Monday – Friday
 - Calls received out of office hours will be forwarded to a mobile phone and best efforts will be made to answer / action the call. Additional cost will apply for after hours support
 - WhatsApp messages are monitored until 9pm from Monday to Sunday
- Email support: Monitored 7:00 A.M. to 7:00 P.M. Monday – Saturday
 - Emails received outside of office hours will be collected, however no action can be guaranteed until the next working day

6.2. Service Requests

In support of services outlined in this Agreement, the Service Provider will respond to service-related incidents and/or requests submitted by the Customer within the following time frames:

- 0-5 hours (during business hours) for issues classified as **High** priority.
- Within 24 hours for issues classified as **Medium** priority.
- Within 48 working days for issues classified as **Low** priority.

Remote assistance will be provided in-line with the above timescales dependent on the priority of the support request.
