To Whom it may concern

This serves to confirm that server housed in the office of Cornerstone is backed up daily to an external hard drive. This external drive is rotated weekly off-site. In addition, the data on the server is also backed up to the cloud on a daily basis.

SharePoint Data is housed on the Microsoft 365 platform with a 30 day deletion retention policy in place.

Yours faithfully

Stuart Calaz
Streamline Technology

We provide systems that are custom built and fine tuned for a specific job. Our ability lies in being able to pick and choose the right mix of high-quality components, that maximise performance and represent the latest in stable computer technology.
