Subject: Confirmation of Data Center Hosting Arrangement

Dear Mr. de la Harpe,

This letter serves to confirm that **Sautech (Pty) Ltd** makes use of **Armada Data Center** for the hosting of our infrastructure and client environments.

We have an active hosting and rack space agreement in place with Armada, who operate a certified and compliant Data Center facility. All hosted environments, including the solution provided to **Walvis Bay MediPark**, are securely maintained within this facility.

The Data Center provides the following key assurances:

- Certified and controlled hosting environment
- Redundant power and cooling infrastructure
- Physical and network security measures
- 24/7 monitoring and access control

Sautech ensures that all client data and services hosted within Armada's infrastructure are managed in accordance with our internal governance and compliance standards.

Should you require any additional technical or compliance information, please do not hesitate to contact us.

Kind regards,

Riaan van Jaarsveld
