1. INTRODUCTION

Throughout this document “Accatax” shall mean Accatax Services (Pty) Ltd. A privately owned company registered in South Africa. “Sautech” shall mean Sautech (Pty) Ltd. A privately owned company registered in South Africa.

The document is an extension to the agreement currently in place to perform onsite IT support services to Accatax. Upon acceptance this agreement will be valid for 24 Calendar Months. The fees specified in the “Cost Analysis” section will increase on the 1st of February every year with a pre-defined rate of 7%.

2. BACKGROUND

Sautech has performed IT Support services to Accatax for nearly two years. During this period, the support services level never declined. To follow the paper trail and to establish our agreement, this document will provide the information and the support services offered to Accatax on a monthly basis

The Client sponsor is:

§ Phillip Basson

3. AGREEMENT SCOPE

The agreement will cater for and deliver the following deliverables

- § Weekly Network Checks
- § Ad-Hoc support that is scheduled outside the pre-defined scheduled checks.

1.1 Accatax offices (Florida)

Weekly Infrastructure checks include;

- § Checking of Anti-Virus Updates
- § Performing Windows Updates
- § System Health Check
- § Network Infrastructure checks.

1.1.1 Onsite Support

- § Scheduled Weekly (An hour support onsite and Callout fees included)
- § Where the technician is required (to perform duties outside of his standard working hours, Sautech's standard rates will be applicable
- § Onsite Services includes but are not limited to;
 - Network Management
 - User Interaction and queries
 - Server and Internet Application support
 - Printer and all peripherals included
 - ADSL and Internet Connectivity

-
- Anti-Virus
 - Backups
 - Software Updates
 - Preventative Maintenance

1.1.2 Offsite Support

- ☞ 24/7 Standby Support – this will be invoiced separately to the agreement per incident

4. SOFTWARE AND APPLICATION LICENSING

Accatax is responsible for ensuring that all software used by its staff or affiliates and or contractors are fully licensed under its respective agreements. Sautech will not take responsibility for unlicensed products and will configure and support the software only on behalf of Accatax

5. PROCUREMENT

From time to time Accatax might request Sautech for additional hardware or software products. Sautech has a full end to end procurement team that will perform to and deliver this process. Sautech will guarantee a standard mark-up of 15% on all products. This includes all delivery fees etc. associated to the product.

6. COST ANALYSIS

Item Description	Qty	Monthly Cost
Onsite Technician	4	R570.00

7. STANDARD RATES

Should Accatax require any after hour services, or services outside of the allocated onsite support time, Sautech standard rates of R295-00 ph. will be applicable with R145-00 callout fee.
