## Finance Terms Definitions

- § *“Terms”* – All items in this agreement if payable to the supplier on 3 consecutive and equal payments.
- § *“Software Licensing”* All software licenses to become the property of the client after this agreement. Licenses may not be transferred from machines.
- § *“Ownership”* All Items in this agreement will remain the property of Sautech during and the Client’s after this agreement.
- § *“Insurance”* The client agrees that throughout this agreement the items specified in this agreement will be fully and comprehensively insured, via current client insurance policy. Sautech may request proof hereof on its sole and own discretion.
- § *“Cancellation”* This agreement cannot be cancelled prior to cancellation date specified in “Contract Duration”
- § *“Default”* If for any reason the Client fails to make any payment on time, The Client shall be in default. Sautech can then demand immediate payment of the entire remaining unpaid balance of this loan, without giving anyone further notices. If the Client has not paid the full amount of the loan when the final payment is due, the Sautech will charge The Client interest on the unpaid balance at 15 percent (%) per year.

## Replacement / Loss / Damage Policy

---

Should the items or assets in the agreement be damaged, lost or stolen, the client agrees to;

- § Replace the items with industry replacement standards at the time of loss with either the same or newer models for the items listed in this agreement
- § Notify Sautech immediately of such event or incident
- § Report the incident to the SAPS should it be deemed necessary
- § Acquire approval from Sautech for the proposed replacement item
