FINANCIAL ADVISORY AND INTERMEDIARY SERVICES ACT (NO. 37 OF 2002)**Important information that must be read carefully****General information**

The Financial Advisory and Intermediary Services Act (FAIS) requires compliance by Product Suppliers (insurers) and Financial Services Providers (intermediaries or brokers) with a General Code of Conduct and was introduced to assist you in making informed decisions about the insurance products that you purchase. It also aims to ensure that your Product Supplier and Financial Services Provider (if applicable) render financial services honestly, fairly, with due skill, care and diligence and in your interests and the integrity of the financial services industry.

You will receive a Disclosure Notice at the inception of your policy and at each subsequent renewal (or anniversary) date. The Disclosure Notice relate to details about your Financial Services Provider and Product Supplier, additional general information and details about the Ombuds and the Registrar. You are entitled to this information and should you experience any difficulties in obtaining required details, please contact your Financial Services Provider or Product Supplier for further assistance.

Procedures for registering claims or complaints

Procedures for the submission of claims are detailed in your policy document and are important. If you have difficulties in determining the correct procedures, please contact your Financial Services Provider or Product Supplier for assistance. Generally, you are required to advise the Product Supplier within a prescribed number of days of a loss, provide written details of the loss, provide proof in support of a claim, report theft to the police and provide any other details that may be required by the Product Supplier.

If you are not satisfied with the information that you are provided with upon your request, you may choose to contact the Product Supplier or Financial Services Provider for assistance. Should you remain dissatisfied with the assistance provided, then you may contact our Compliance Officer at the address provided on the Disclosure Notice. In addition, the address of the Registrar of Short-Term Insurance is provided should your complaint still not be satisfactorily resolved.

Name, class or type of policy

Full details about the name, class and type of policy involved are reflected on your policy schedule and is also contained in the policy wording. Policy schedules should always be read in conjunction with the policy wording. Should you require any explanation about the terms, conditions, provisions, premiums, excesses (or deductibles) or any other information, please contact your Financial Services Provider or Product Supplier for assistance as failure to comply with terms, conditions and provisions influence the insurance contract.

Extent and nature of premium obligations

Your policy document reflects the premiums payable, the due date of payment and the frequency of payment (e.g. monthly or annually). When amendments are made to the policy, an additional or refund premium may become due and such amounts are also reflected on the policy schedule or endorsement. All premiums are inclusive of Value Added Tax at the prescribed rate.

Some Financial Services Providers are authorised to accept premium payment on behalf of Product Suppliers and should your Financial Services Provider be authorised to do so, then you may make payment to such Financial Services Provider. Where a Financial Services Provider is not authorised to receive payment on behalf of the Product Supplier, your payment should be made in favour of the Product Supplier. Should you not operate through a Financial Services Provider, then your payment should be made directly to your Product Supplier. In the case of monthly premiums by debit order, payment is usually made to the Product Supplier directly, unless you have authorised such a payment via your Financial Services Provider or other third party, who have authority to collect premium on behalf of the Product Supplier.

Consequences of non-payment of premiums

The due date for the payment is reflected on your policy schedule, renewal notice or premium advice as the case may be. Your payment should be made on or before the due date reflected to avoid the cancellation of the policy at midnight on the day before the due date.

First amounts payable (also known as excesses or deductibles)

It is important that you are aware of any amounts that you will be required to pay in the unfortunate event of a claim. Your policy schedule or wording contain the amounts that you pay as a portion of a claim amount and your Financial Services Provider or Product Supplier can assist you with any queries you have in this regard.
