12.1 The TRUSTEES are empowered, in their sole and absolute discretion and without restriction, to use the TRUST INCOME of the trust as follows:

- 12.2 To the extent that the TRUST INCOME of the trust is not sufficient for the purposes as envisaged in clause 12.1.1, 12.1.2 and 12.1.3 hereof, the TRUSTEES are empowered, in their sole and absolute discretion, to use as much of the TRUST CAPITAL as may be necessary for such purposes.
- 12.3 Without in any way detracting from the TRUSTEES' discretion, it is the DONOR'S wish that before any amounts of TRUST INCOME are applied, distributed or paid to or on behalf of the INCOME BENEFICIARIES, consideration must first be given to ensuring that the MAINTENANCE payable to the INCOME BENEFICIARY and the CAPITAL BENEFICIARY identified by name in this DEED is in accordance with the lifestyle to which they are accustomed and once such needs have been met, to be applied, distributed or paid to or on behalf of the remaining INCOME BENEFICIARIES by representation *per stirpes*. - 12.4 The TRUSTEES are empowered, instead of actually making payment to any INCOME BENEFICIARY of any amounts envisaged in terms of clause 12.1.2, 12.1.3 and 12.1.4, to retain and earmark the amount so payable to any INCOME BENEFICIARY and to accumulate and/or invest for such INCOME BENEFICIARY'S sole and exclusive benefit or treat as a loan to or claim against the trust all unexpended balances of such TRUST INCOME together with any income that may be derived therefrom and any other accretions

thereto on the basis that such INCOME BENEFICIARY'S accumulation of TRUST INCOME, whether invested or not, remains the sole property of such INCOME BENEFICIARY and will, during the continuance of the trust, be capable of being paid to such INCOME BENEFICIARY at such times and in such amounts as the TRUSTEES may determine, provided that any such TRUST INCOME which has accrued to and vested in but not paid to such INCOME BENEFICIARY will:

12.4.1 on his death be paid to the executor of his estate on demand;

12.4.2 subject to the provisions of clause 13.4 hereof, on termination of the trust be paid to such INCOME BENEFICIARY.

13.2 The TRUSTEES are empowered, instead of actually making payment of any amount to any CAPITAL BENEFICIARY, to retain and earmark the amount so payable on the same terms and conditions *mutatis mutandis* as those contained in clause 12.4 hereof.

13.3 Without in any way detracting from the TRUSTEES' discretion, it is the DONOR'S wish that before any amounts of TRUST CAPITAL are applied, distributed or paid to or on behalf of the CAPITAL BENEFICIARIES, consideration must first be given to ensuring that the MAINTENANCE payable to the INCOME BENEFICIARY and

the CAPITAL BENEFICIARY identified by name in this DEED is in accordance with the lifestyle to which they are accustomed and is secure. Thereafter, the TRUSTEES are empowered, in their sole and absolute discretion, to apply, distribute or pay to or on behalf of the CAPITAL BENEFICIARIES any portion of the TRUST CAPITAL by representation *per stirpes*. The provisions of this clause are subject to the proviso that the TRUSTEES consider the personal circumstances of each CAPITAL BENEFICIARY in determining the ratio of the TRUST CAPITAL to be applied, distributed or paid to or on behalf of the CAPITAL BENEFICIARIES.

- 13.4 Should any CAPITAL BENEFICIARY envisaged herein not have attained the age of 25 (twenty five) years when such portion of the TRUST CAPITAL falls to be paid to such CAPITAL BENEFICIARY then:

13.4.1 The TRUSTEES will continue to hold, administer, deal with and apply that portion of the TRUST CAPITAL in accordance with the provisions of this DEED and from time to time to apply the net income thereof for the MAINTENANCE of such CAPITAL BENEFICIARY or to pay to him the net income as the TRUSTEES in their sole and absolute discretion from time to time determine.

13.4.2 Notwithstanding anything to the contrary herein contained, the TRUSTEES may, in their sole and absolute discretion, pay to or on behalf of such CAPITAL BENEFICIARY before such CAPITAL BENEFICIARY attains the age of 25 (twenty five) years any such portion of the TRUST CAPITAL.

14. TERMINATION

- 14.1 This trust will terminate at the end of its financial year 50 (fifty)

years after the death of the last dying of the INCOME BENEFICIARY and the CAPITAL BENEFICIARY identified by name in this DEED.

- 14.2 If however the TRUSTEES are of the opinion that circumstances have arisen or might arise to warrant their doing so, the TRUSTEES may, in their sole and absolute discretion, terminate the trust or any part thereof any time prior to the date of termination envisaged in clause 14.1 hereof. Alternatively, notwithstanding that such date of termination envisaged in clause 14.1 has arrived, the TRUSTEES may continue the trust or any part thereof for a further period of 10 (ten) years.
- 14.3 On termination of the trust, any TRUST INCOME and TRUST CAPITAL that has vested in and accrued to such INCOME BENEFICIARIES and CAPITAL BENEFICIARIES in terms of clauses 12.4 and 13.2 hereof together with all unpaid income and accretions thereto is to be paid by the TRUSTEES to such INCOME BENEFICIARIES and CAPITAL BENEFICIARIES.
- 14.4 In the event that any CAPITAL BENEFICIARY has not attained the age of 25 (twenty five years) then such TRUST CAPITAL and TRUST INCOME will be held, administered, dealt with and applied by the TRUSTEES in accordance with the provisions of this DEED.
- 14.5 On termination of the trust, the TRUSTEES are to divide the TRUST CAPITAL in accordance with the provisions of clause 13.3 hereof and the TRUST INCOME in accordance with the provisions of clause 12.3 hereof.

15. RESTRICTIONS ON BENEFICIARIES

- 15.1 Until any benefit or award vests in a beneficiary, nothing herein contained shall create or confer upon any beneficiary any right or
