Section 89quat(4) interest on overpayment of provisional tax			-14.30
Net credit amount			-523.18

Dear SAUTECH PTY LTD

Your assessment for the 2024 tax year has been concluded and the assessment summary as well as the current balance on your account are reflected above. Please note that in the case of a debit balance on your account further interest may accrue.

A detailed statement of account (including all amounts payable or refundable under any previous assessment, refunds, payments, and interest), may be requested from SARS through the following channels:

- Electronically via eFiling
- Call the SARS Contact Centre
- At your nearest SARS branch by appointment. To book an appointment visit the SARS website.

The reference to additional tax/understatement penalty in this notice of assessment depends upon the circumstances.

- (i) If additional tax was imposed before the commencement date of the Tax Administration Act (TAA) then adjustment to that additional tax may be made by an assessment issued in terms of the TAA after the commencement date of the TAA
- (ii) An assessment issued after the date of commencement of the TAA, in respect of any period that preceded the commencement date of the TAA, may be subject to the imposition of an Understatement Penalty in terms of the TAA as an "understatement" is considered to be a continuing act or omission in terms of the TAA
- (iii) An assessment issued after the commencement date of the TAA, for a period that commences after the commencement date of the TAA, may

include the levy of an Understatement Penalty.

The amounts of income included and deductions allowed in calculating this assessment is reflected below. It is very important that you verify these to ensure that:

1. The amounts are correct
2. All your taxable income and allowable deductions for the year are reflected

If you are of the view that the assessment contains a processing, calculation or other error, you should submit a revised return.

If you are unsure as to how the assessment was concluded or the reasons for any of the adjustments made, you may within 30 days of this assessment, submit a Request for Reasons, using the SARS prescribed form available on eFiling or at your nearest branch.

If you are aggrieved by this assessment, you may submit a Notice of Objection by using the SARS prescribed form available on eFiling or at your nearest branch. This must be done on or before 2025-06-10. If a Request for Reasons was submitted, the notice of objection must be submitted within 80 days after the delivery of the outcome notification.

NOTE: Your obligation to pay any amount due is not suspended by any objection or appeal. However, SARS will consider a motivated application for the suspension of payment as provided for in the Tax Administration Act, for instances where an amount due is, or will be, subject to objection or appeal.

Sincerely

ISSUED ON BEHALF OF THE COMMISSIONER FOR THE SOUTH AFRICAN REVENUE SERVICE
