### IMPORTANT NOTICE AND DISCLAIMER

Please read the following terms of sale carefully as it forms a binding Sales Agreement between the buyer ("you") and WeBuyCars ("us/we") as soon as you sign it.

The provisions that are printed in bold font may limit our liability, place a liability on you, or draw a fact to your attention. Please do not sign the Sales Agreement or buy a vehicle from us unless you agree to all of these terms and conditions, including the ones that are printed in bold font.

At WeBuyCars, there are thousands of vehicles for sale, ranging from nearly new vehicles, with very low kilometres to well-used vehicles with substantial kilometres and wear, needing reconditioning, mechanical checks, servicing and/or repair ("repair work"). Unless you are clearly informed otherwise by us in writing, and subject to sections 55 and 56 of the Consumer Protection Act No 68 of 2008 ("the CPA"), we are not responsible or liable (i.e. we do not pay for it) for such repair work or to arrange a roadworthy certificate for the vehicle you decide to buy from us in terms of the Sales Agreement. Without the necessary repair-work, the vehicle may suffer mechanical problems, including (but not limited to) its engine and gearbox.

These terms are subject to applicable law, including the CPA and are severable. If any law restricts or prohibits the use of any of them such restriction or prohibition shall not invalidate the remaining terms.

We strongly recommend that you get an expert of your choice to assess the vehicle before buying it.  
If you have any questions, feel free to ask any of our friendly sales employees who will gladly assist you.

By signing this Sales Agreement, you agree, confirm and understand the following:

1. The vehicle you intend to buy, or have bought, from WeBuyCars ("Vehicle") will only be delivered to you once the full purchase price has been paid to us and the funds have cleared into our bank account. We will give you written banking details for such payment.
2. Delivery of the Vehicle will take place at our premises during normal business hours.
3. **You have inspected the Vehicle and confirm that it is adequately suited for the purpose you intend to use it, and we have not influenced you in this regard.**
4. **You were given enough time and opportunity to inspect the Vehicle before you decided to buy it and signed this Sales Agreement.**
5. **You confirm that you have read the used vehicle condition report issued in respect of the Vehicle ("the condition report") and you were made fully aware of any required reconditioning, repair work and or service work as highlighted in the report.**
6. **You will adhere to the manufacturer's specifications in respect of maintaining the Vehicle and will not attempt to alter or change the Vehicle in any manner whatsoever, contrary to the manufacturer's specifications, after leaving our control.**
7. **We will only deliver goods, such as spare keys, a spare wheel, tools, service records and/or an owner's manual in its current condition, if it was received when we bought the Vehicle. We will have no obligation to buy, refund or replace such items.**
8. **We do not warrant that any of the components of the Vehicle conform to the manufacturer's specifications.**
9. **We do not warrant that the odometer reading of the Vehicle is correct, as we do not know the full history of the Vehicle. WeBuyCars can further not warrant that the Vehicle has never been damaged or, if so, that it has been repaired to the manufacturer's specifications.**
10. **We do not guarantee that the Vehicle is in a mechanically good condition. The Vehicle has not been subjected to a roadworthy test and you are responsible to do a roadworthy test together with the required repairs to make the Vehicle safe for use on a public road.**
11. **Our terms and conditions do not (and are not intended to) limit or alter any rights or remedies available to you under the CPA and they do not change our obligations to you under the CPA.**
12. **In addition to the clear and conspicuous (noticeable) notice you should reasonably have seen when entering our business premises, by signing the Sales Agreement, you agree to the terms and conditions of this Sales Agreement and that these terms were explained to you.**
13. **Subject to applicable law, including the CPA, you will have no recourse (action) against us for any latent (hidden) or patent (not hidden) defects in respect of the Vehicle.**
14. **We have no obligation to register the Vehicle in your name or to roadworthy the Vehicle before delivery to you.**
15. **Upon delivery of the Vehicle/receipt of the purchase price, we will submit a notification of change of ownership with the relevant registering authority. You must register the Vehicle in your name as soon as possible and no later than 21 (twenty-one) days after taking delivery of the Vehicle.**
16. **It is unreasonable to expect WeBuyCars to have discovered any unsafe characteristic, failure, defect or hazard, in any of the vehicles we sell, having regard to our role in marketing the vehicles to consumers and the fact that we did not manufacture the vehicles. For this reason, we cannot accept any liability for any failure in the Vehicle or any incidental or consequential losses that may result from such unsafe characteristic, failure, defect or hazard.**
17. **We charge a documentation fee on all transactions as reflected on the tax invoice and you will be liable to pay such amount to us before taking delivery of the Vehicle.**
18. **You will be liable and responsible for the payment of all fines, penalties, costs or other charges arising from traffic violations and/or any breach of applicable laws involving the Vehicle, which occur while you test drive the Vehicle and/or after acceptance of delivery of the Vehicle.**
19. **You agree that we (or our representatives) may redirect any traffic infringement notices, fines or warrants relating to traffic violations or offences which occur while you test drive the Vehicle and/or after acceptance of delivery of the Vehicle by you.**
20. **By signing this Sales Agreement and/or providing personal information to us, you agree that we may process your personal information (including store and share), as set out in our Privacy Policy, which you may access at the link provided at [www.webuycars.co.za](http://www.webuycars.co.za). This personal information may include, but is not limited to, your name, surname, address, contact information, identity number, voice recordings and images.**
21. **The parties choose the following *domicilium citandi et executandi* (address for the service of legal notices and process):  
WeBuyCars: Building 7, Byls Bridge Office Park, 6 Byls Bridge Boulevard, Highveld, Centurion, Gauteng, 0157.  
You: The address you provided in the Sales Agreement and/or tax invoice**
22. **We, our agents or service providers acting on our behalf, may conduct a sanctions screening on you in accordance with the Financial Intelligence Centre Act No 38 of 2001 ("FICA"). If we find that you are sanctioned by a competent sanctioning body, we reserve the right to terminate (or to refuse to enter into) any transaction/business relationship with you. In such event, you agree that we may freeze any property in our possession which belongs to you, including deposits paid in respect of auctions or the purchase of vehicles or other goods.**
23. **This Sales Agreement constitutes the whole agreement and all additions, variations or amendments to this Sales Agreement must be done in writing and signed by all parties.**
24. **If a dispute arises, you agree that you will lodge your complaint in terms of the WeBuyCars dispute resolution process, of which the details can be found at [www.webuycars.co.za](http://www.webuycars.co.za)**
25. **This Sales Agreement will be governed by the laws of the Republic of South Africa and consent to the exclusive jurisdiction of the South African Courts.**
